Coutts & Co., London. No cash or currency notes will be accepted as earnest money. Earnest money will be returned to unsuccessful tenderers.

3. Samples of the required papers used by the Government of Mysore can be seen at the Mysore Government Stationery Depot, Bangalore, any day except Sundays and holidays, between the hours of 11 A.M. and 4 P.M., or samples of the standard papers may be had on application to the Superintendent of Stationery, Mysore Government, Bangalore.

4. The successful tenderers will be required to execute a security bond in the prescribed form on 8 annas Mysore Government Stamp paper and to deposit a security of five per cent on the value of the papers for which the tender is accepted for the due fulfilment of the contract. This security may be in Government of India Pro-notes endorsed to the Dewan of Mysore, or in Mysore Government Savings Bank deposits made under para 9 of the Savings Bank Rules.

5. The schedule annexed hereunder shows probable requirements; and the quantities shown are only approximate. *Should additional supplies be required during the year, beyond the quantities stated in the tender form, contractors must be prepared to furnish such additional supplies at the tendered rates.* The contractors will be bound to make good to Government any loss which may arise from their failure to supply in time and thus put Government to the necessity of purchasing the articles specified in the contracts in the local market at higher rates than those contracted for.

It shall be in the discretion of the Superintendent to extend the time for such delivery, on reasonable cause being shown. All supplies will be subject to strict examination by the Superintendent of Stationery. Papers not up to quality and sample will be rejected and will remain at the risk of the contractors. *All papers must be entirely free from mechanical wood.*

7. Payments for papers supplied will be made on bills to be furnished in duplicate after acceptance by the Superintendent of Stationery, such payments, falling due on or after 1st July 1921.

8. Tenders must submitted on forms which can be had on application to the Superintendent of Stationery.

11. All papers with the exception of item No. 4 of the schedule should be water-marked "Government of Mysore." The purchase of overmakes of water-marked paper cannot be guaranteed, and they should in no case exceed *ten per cent of the ordered quantity*, but the contractors must bind themselves not to sell at any time such water-marked papers to the outside public.
